Visit Singapore's newest tourism hotspot, Jewel Changi Airport. With the help of our knowledgeable guide, you will be able to see the best of Jewel in a short period of time. Explore the Crystal Clouds, the HSBC Rain Vortex, and the Shiseido Forest Valley. You will be directed to a chosen list of stores and visit historic brands, understand how they have thrived while adhering to their traditions. Taste local treats, some of which are still produced using the same recipe that has been passed down through generations. The Canopy Park, which includes access to the Topiary Walk, Petal Garden, Foggy Bowls, and Discovery Slides, is the perfect place to end your tour. Those with time to spare after the trip may dine at one of the local cuisine restaurants, where you will be able to skip the queue!
